

Somerset Digital Futures

Gain the **Skills and Experiences** to work towards a **Permanent Paid Job** with a **Digital Supported Internship**

Are you passionate about the digital world and eager to develop your talents? Somerset offers a fantastic opportunity for young people to secure paid employment through a new Digital Supported Internship.

Join us for the Digital Internship Information Event:

Date: Wednesday, 23rd April

Time: 6:00 PM to 7:00 PM

Format: Online

Click here to sign up for the Information Event

Please join us! You can participate with your camera off and bring someone along for support.

Placements with employers are available across the county, so no matter where you are located you can explore various digital roles.

If you have any questions, please email us at support@somerset-ebp.co.uk

[Click here](#) to learn more about what a Supported Internship is, or visit the [Imagine the Possibilities website](#) for more information.

You can also find details of other Supported Internship opportunities on the [Vacancies page](#).
